

EXPOSED AGGREGATE VANCOUVER

Applied: October 2003

Before **NON-SKID**® After

Long lasting High Gloss slip protection that is resistant to UV rays, water, stains, chalking, solvents, salt etc.

Before

After

Long lasting High Gloss slip protection that is resistant to water, stains, chalking, solvents, salt etc. Water Based Epoxy was chosen for the lobby because it is not subjected to UV rays and solvent odours were not acceptable.
